Colors Special
Light up any room in space with the colorful bulbs from the Colors Special Collection. With all the numerous coatings and stylish models in different sizes, it shouldn't be hard to find and combine the bulbs that reflect you and your style best.

Taking care of your lamp
Those lamps are made with great care and therefore need to be treated with love and care. Prevent fingerprints and greasy stains on the glass by using a microfiber cloth when screwing in the lamp and cleaning it.

Enjoy your beautiful new Color Special bulb!
