

Garden D'Light Connect

(GB) Garden d'light connect are decorative lights items which can be connected together. How many items you can connect depends on the adapters which you use. When you use the 3.6W adapter (included by the items) you can connect up to 1000 Led's on this adapter. When you use the 9W adapter (can be bought separately) you can connect up to 2000 Led's.

(NL) Garden d'light connect zijn decoratieve verlichting artikelen die aan elkaar gekoppeld kunnen worden. Hoeveel items u kunt aansluiten, hangt af van de adapters die u gebruikt. Wanneer je de 3.6W adapter (meegeleverd met de artikelen) gebruikt, kun je tot 1000 leds op deze adapter aansluiten. Bij gebruik van de 9W adapter (apart verkrijgbaar) kan je tot 2000 Led's aansluiten.

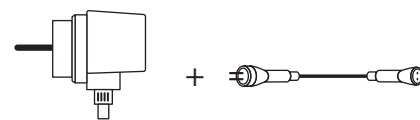

(FR) Garden d'light connect sont des luminaires décoratifs qui peuvent être connectés entre eux. Le nombre d'éléments que vous pouvez connecter dépend des adaptateurs que vous utilisez. Lorsque vous utilisez l'adaptateur 3,6W (inclus avec les articles), vous pouvez connecter jusqu'à 1000 LED sur cet adaptateur. Lorsque vous utilisez l'adaptateur 9W (peut être acheté séparément), vous pouvez connecter jusqu'à 2000 LED.

(IT) Garden d'light connect sono luci decorative che possono essere collegate tra loro. Il numero di elementi che puoi collegare dipende dagli adattatori che utilizzi. Quando si utilizza l'adattatore da 3,6W (incluso negli articoli) è possibile collegare fino a 1000 LED su questo adattatore. Utilizzando l'adattatore 9W (acquistabile separatamente) è possibile collegare fino a 2000 Led.

(ES) Garden d'light connect son luces decorativas que se pueden conectar entre sí. La cantidad de elementos que puede conectar depende de los adaptadores que utilice. Cuando utiliza el adaptador de 3,6W (incluido en los artículos), puede conectar hasta 1000 LED en este adaptador. Cuando utiliza el adaptador de 9W (se puede comprar por separado) puede conectar hasta 2000 Led.

(DE) Garden d'light connect sind dekorative Leuchten, die miteinander verbunden werden können. Wie viele Geräte Sie anschließen können, hängt von den verwendeten Adaptern ab. Wenn Sie den 3,6W adapter (im Lieferumfang enthalten) verwenden, können Sie bis zu 1000 LEDs an diesen Adapter anschließen. Wenn Sie den 9W adapter (separat erhältlich) verwenden, können Sie bis zu 2000 LEDs anschließen.
