INSTALLATION INSTRUCTIONS

WARNING

If in doubt or difficulty is experienced contact a qualified electrician.

SAFETY FIRST

The LEDs in this product are not replaceable.

IMPORTANT!

Make sure that the power is switched off at the electricity mains supply before commencing work.

BEFORE STARTING

Please read through these instructions and keep them for future reference.

REPLACEMENT LAMP

Maximum wattage – see label

CLEANING CARE

Clean with a soft dry cloth.

SAFETY INFORMATION

Always switch off the electricity supply and allow to cool for 10 minutes before cleaning or checking.

Replace any cracked/damaged diffuser immediately-do not use if they are damaged. Please use the double-pole-off switch.

We suggest that you use H05RN-F specification cable (not supplied) which is an outdoor grade, rubber sheathed cable. The cable must have a minimum cross sectional area of 1.0mm².
